

Center Leader for our MALO A MCHEREZO Ministry

MALO A MCHEREZO means "place of refuge". We provide holistic care to orphans in our surrounding community. They receive not only food, clothing and medical care, but also a privileged and promising school education. We offer these needy children a place where they can find protection and feel safe. They get to know Jesus and have the chance to choose a life with Him. With this strategy we break the cycle of poverty and give people in Malawi and Mozambique a better future. The Child Care Center is financed by donations.
